INDUSTRY FOCUS

February Industry Focus: Business Advisory: Legal & Tax updates

The Thai Personal Data Protection Bill and its Impacts on Thai Businesses
By Dhiraphol Suwanprateep, Partner and Kritiyanee Buranatrevedhya, Associate [Baker McKenzie](#)

Protecting individuals' personal data is crucial to the long term reputation, viability, and growth of data-driven businesses in Thailand. However, given how quickly the global business ecosystem has changed in recent years, lawmakers have struggled to keep pace with ever-evolving technologies and to implement laws that effectively encourage or ensure the protection of personal data...

Social media has been prominent in our lives for over a decade now and it's not going away anytime soon, it has also changed the way that we are able to interact with one another. Social media platforms such as Facebook, Instagram, Twitter and Linked in are constantly catching attention of people through innovation, each building its own niche to maximize the level of engagement.

ADVOCACY

Advocacy subcommittee primarily assists in the chamber's communication and relationship with government;

We aim to promote ideas and policy reforms with the government that would be beneficial for our members;

This can really be anything, but in the past year or two has included:

Work permits

Immigration

Customs (Customs Alliance)

Australia-Thailand FTA

Board of Investment (BOI)

Board of Trade related issues

We aim to work with members as much as possible to help define our members position on various issues
