## Australian Internship 2017

# WELCOMING INTERNS FROM UNSW AND UNIVERSITY OF CANBERRA

AustCham Members welcomed Interns from both the University of Canberra – organized through Asiaia Consulting – and the University of New South Wales, to their businesses in June-July.

Feedback from all of our members and other companies was very positive, and we can expect to see students from these universities in Thailand again this time next year.

If you would like to know more about receiving Interns into your company, please contact our members via the links provided.
